I didn't, thank goodness. I think lunch and my period just didn't want to work well. My back is aching a bit right now, but I think because of other reasons. Overall, I'm feeling fine.

Oh. Yeah, my parents and I avoided the surgery route and went to see a specialist. My curvature has gone down, which is good, and I see him once every year for follow-ups.

So um... I heard about your sister. I'm sorry. I hope she gets better.

Anyway, so you might not know this but Hannah (used to) Nacho, and I compete in dirtbike riding stunt competitions. So 3 days ago I was in a contest and it was down to me and this other boy named Quinn. Long story short I ended up winning with a sprained ankle a concussion. But this Quinn guy said I was a terrible biker and I deserved to have Hannah gone.

Thank you. But...

I'm sorry you got injured. I pray you'll get better. This Quinn is obviously a bully. And... there's really nothing we can do. I know you still miss Hannah and it hurt when he said that. Either because he's never had someone died or whatever, he shouldn't have said that to you. He doesn't know what pain you've been through. I wish I could do more...*hugs*
